

## OLA Zone 10 Procedure on Statistics

1. All games must be played, with no exceptions after the schedule is set. Defaulting organizations will be charged the home team's operating expenses. These expenses will not exceed \$350 and exclude home team's floor rate if game was replaced with team practice. These expenses are due within 30 days of default game. If not paid the defaulting team may face a disciplinary hearing and a \$250 fine.
2. Each team manager or club designate will be required to email, text or tweet the final score of each game to the Zone 10 Statistician, Donalyn Dredge at the following addresses, [mo3laxers@gmail.com](mailto:mo3laxers@gmail.com), 9052990671 or @Zone10Lax in the appropriate format. All scores need to be submitted on the evening after the conclusion of the game or by the next day at the latest. The Zone Statistician will be responsible for entering the results on Mylax rankings.

The format for submitting scores is as follows; date (Month and day), division, team and # (if a club has more than 1 team in a division), score of home team followed by name of visiting team and score. Please ensure there is a space between the team name and score.

Eg. 5/14 PW Cal1 5, HH2 5, BTM Cal 2, Mim 2

Two games in Caledon on May 14, Caledon's peewee 1 team tied with Halton Hills' 2 team 5-5 and Caledon's Bantam team tied Mimico's bantam team 2-2.

To comply with character restrictions on twitter each club name and division has been shortened similar to the SMS format at provincials.

Brampton - Bram	Paperweight – Pwt
Caledon - Cal	Tyke - Tyk
Halton Hills - HH	Novice - Nov
Mimico - Mim	Peewee - PW
Mississauga - Miss	Bantam - Btm
Newmarket - Nmkt	Midget - Mgt
Oakville - Oak	Intermediate - Int
Orangeville - Org	

3. The original copy of Game sheets must be **mailed or electronically** sent through email by the manager of the home team directly to the Zone Statistician. All game sheets need to be received within 5 business days of the game being play. \$10 will be charged for each late submission and \$25 will be charged for any game sheet that is missing or not submitted:

4. The Zone Statistician will match and verify the results of the original game sheet to the scores emailed, texted or tweeted by both teams on the evening of the game.

5. For Zone and Exhibition games played between two teams in Zone 10, both teams will communicate the score to the Zone Statistician. The home team will send the original copy of the game sheet, along with a copy of the approved Non---Zone Game Form to the Zone Statistician.
6. For Exhibition games where a Zone10 team visits a team outside of Zone 10, the Zone 10 team will email, text or tweet the zone 10 Statistician (Donalyn Dredge – [mo3laxers@gmail.com](mailto:mo3laxers@gmail.com), 9052990671 or @Zone10Lax) the game scores and copy of the game sheet so we can ensure all games are captured and forwarded to the OLA for ratings purposes
7. The team manager of a player receiving a (i) game misconduct, (ii) gross misconduct or (iii) match penalty must contact their association's VP Rep or Rep Director to report the incident immediately after the game is played. It will be the responsibility of the VP Rep / Rep Director to contact the Zone Disciplinary Chairperson, Zone RIC's and Zone Director within 24 hours to confirm the number of games an offending player is to be suspended. A copy of any written reports on the reverse side of the game sheet or referee's reports is to be forwarded to the Zone 10 RIC's and Zone Director as well as the association's VP Rep / Rep Director.
8. Written reports – noted on reverse side of the original copy of Game Sheets, and referee SIR reports are to be submitted (by the team manager and referee respectively) to the Zone RIC, with copies being forwarded to Zone Disciplinary Chairperson & Zone Director.
9. In the event that a match penalty or gross misconduct is assessed in Zone play or an Exhibition game, it will result in a hearing with the Zone Disciplinary committee.
10. The Zone Statistician will communicate on a monthly basis to each club a list of players receiving 5 minute majors and greater penalties; identifying player by name, club, type of penalty, and cost of fines as well as identifying consistent offenders to allow for further disciplinary action as may be deemed appropriate by the clubs or Zone. Copies will be sent to the Zone Director, Zone Treasurer, Zone Secretary and Zone Disciplinary Chairperson.
11. The Zone Statistician will also monitor clubs to ensure all suspensions being served are recorded accurately in the appropriate fields on the Game Sheet.
12. The Zone 10 Statistician is to hold all games sheets until the end of the season.
